## Slate Valley Museum

### Festival of Trees

### December 7, 2018

#### **Guidelines**

1. Participant must provide artificial tree(s).
2. Lighting is encouraged to achieve better visibility of your tree.
3. Extension cords are often needed to reach the outlets...put your name on it!
4. Trees need a secure stand and limb sections firmly attached.
5. Decorations and design features are to be firmly attached to safeguard from loss or damage.
6. The basic theme and design must be different, if you have displayed other years.
7. The Village of Granville theme this year is "Rudolph's Rockin' Christmas," so feel free to include this theme in your design. (Not required, but a suggestion)
